

HONINGHAM PARISH COUNCIL

GRANT AWARDING POLICY AND APPLICATION FORM

Date Approved: 9 October 2019

Date for Review: October 2022

(Grant figures will be updated yearly in line with approved budget)

About the Scheme

The Parish Council allocates a small amount of money each year to provide grants to local organisations that benefit the parishioners of Honingham. Applications will be considered which support the objectives of the Council. These include;

- Reducing rural isolation and deprivation
- Improving road safety and local transport options
- Supporting youth activities
- Supporting sporting activities
- Encouraging the use of local facilities (e.g. village hall, Bowls Club)

Those organisations applying need not necessarily be based in the parish but must show evidence that parishioners in Honingham will benefit from the use of the grant money.

The Grant Process

Applications will be considered at the Council meeting in February/March of each year by the Parish Council so applications must be received by the Parish Clerk by the **31st January 2023** to be considered. Applications should be made on the grant application form which can be obtained from the Parish Clerk. Successful applicants will be notified following that meeting and will receive payment (BACS or cheque as agreed) at the same time. Note that the maximum amount of any grant to a single organisation is likely to be £250, and organisations can only apply for one grant for any one project per year. Organisations can apply every year but the Council would encourage organisations to apply for a different project so as to encourage a broader range of projects and benefits to the parishioners of Honingham. If you wish to apply for an amount greater than £250 please speak to the Parish Clerk before making an application.

Examples of projects might include, but are not restricted to, purchasing equipment for a sports club, funding towards holding a community event, funding to help set up a new community group, raising awareness of local groups or proposals for improving village facilities.

If you have an idea for a project but are an individual and not part of an organisation please speak to the Parish Clerk. Awards cannot be made to an individual but the Council may be able to put you in contact with an organisation who you could work with on your project idea.

The information you need to include on your application form:

- Name of the main contact for the organisation applying for the grant
- Contact details for that person: name, address, e mail, telephone number
- Registered charity number (if applicable)

- Information about the project for which you are applying including details of how it meets the Council's aims and objectives. (as outlined above)
- A timeline for your project – start to finish (if applicable)
- The expected total cost of the project and the organisation's own contribution
- Who else you might have applied to for funding
- A copy of your Equality Policy (if applicable) or a short statement about how your organisation supports and promotes equality
- A copy of your Accounts for the last completed financial year

What the Council will expect from you if you receive an award

- A copy of a payment (at least to the amount of the grant award) relating to the project
- A letter to confirm that the project has been completed
- A short article and a photograph for possible use in a publication of our choice, including social media

Other terms and conditions

- In the event of the project not being completed the Council may request that the money is returned.
- No grant award can be made to individuals.
- Applications which do not contain all the information requested above will be excluded.
- Applications received after the deadline will not be considered
- All decisions made by the Council are final. Any application which is unsuccessful will be notified.
